The topography of this treed & fully fenced 80-acre parcel with rolling terrain is TRULY UNIQUE for the area. Unoccupied for many years, and located on a quiet road, there is an abundance of open space for pasture, hay, or potential future development. Through the gates, the 900' long raised driveway leads to the former private homesite which is nestled in the trees. There is a 40â€™x64â€™ multi-stall barn with power & a concrete floor but it needs roof restoration. A well supplied the barn from the pumphouse which fed an underground piping system that ran to each paddock (well pump is currently absent). The bordering land to the West is owned by Ducks Unlimited and natural water is featured on the Southeast & Southwest corners of this stunning property. The property was previously conditionally APPROVED FOR SUBDIVISION, but it was never completed. With Mundare's conveniences, including world-class golf less than 10km away, this is the ultimate property in a perfect location!
